Is this participant being qualified for transitional housing (TH) for disabled?

Homeless History – INSTRUCTIONS:

Provide the information below about locations where the applicant resided during the last three years. Occasions can include more than one location and must be separated by at least a 7-night break when the individual did not meet the homeless definition. Unless there is evidence of a break in homelessness of 7 or more nights, documentation of an encounter with a service provider on a single day within 1 month, counts for the entire month. Each month can be counted only once. To qualify a participant as **DedicatedPLUS** you must document:

- Chronic Homelessness: at least 12 consecutive months of qualified homelessness OR at least 4 separate occasions within the last three years provided that the total time homeless during those occasions equals at least twelve months AND disabled individual or head of household; OR
- Residing in a **Transitional Housing (TH)** project that will be eliminated and was chronically homeless when ٠ entered TH project (some PSH projects awarded in 2019 may have a waiver of the elimination criterion); OR
- Residing in Emergency Shelter (ES), Safe Haven (SH) or unsheltered location and had been enrolled in a PSH or RRH project (having met CH criteria upon entering) within last year, but was unable to maintain housing placement: OR
- Residing in **TH funded by a Joint TH and PH-RRH** component project and who were experiencing chronic homelessness prior to entering the project; OR
- Residing in ES, SH or unsheltered location for at least 12 months in the last three years, but has not done so on four separate occasions and disabled individual or head of household; OR
- Receiving assistance through a Department of Veterans Affairs (VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.
