to your Pantry

A program of:

In response to COVID-19, New Haven's Coordinated Food Assistance Network (CFAN) is providing **free**, weekly home deliveries to our neighbors in need New Haven, East Haven, West Haven, and Hamden.

Do you need help feeding yourself or your family? Pantry to Pantry offers home deliveries from food pantries to your home!

Call or Text: 888-910-2960
or email us at intake@cfannewhaven.org

A representative will get back to you in either English or Spanish to set up a day and time to get your **free** food delivered once a week. Please note you will need access to a phone and you will need to provide us with an address to deliver the food.

Deliveries are every Monday, Wednesday, Thursday, and Friday.

Help us, help New Haven

With unemployment skyrocketing, the anticipated need is expected to increase dramatically. CFAN is urgently asking for donations to continue this program. You can help provide families with the food they need during this pandemic.
